“ *Oh Sheebie how do I start to tell people what you've ment to our family. My parents knew 38 years ago we were destined to be family and blessed me in the most special way by asking you to be my godmother. You took your role to heart and loved me so much. Jen and I were so blessed to have another amazing strong women to look up to growing up. We shared so many priceless memories. I feel blessed to have had the chance to know you and love you.
