“ A long time neighbor of ours and friend to my parents. I enjoyed my talks with Sherrie when I would visit my mom; she'd always ask how I was and how the kids were and occasionally ask me my thoughts on the latest current event or some happening on the news. Sherrie will be missed. My sympathies to Roxanne and family.

“ My mother was the breadwinner in our household and, against all odds, raised her two children to be successful. Thanks, mom, I love you always.
