Friends since 4th grade. Where did the years go my friend. swimming the summer away at PV, riding our bikes all over the North Side, Tame Tiger Toganization and more memories than my brain could ever hold. You are loved and will be missed until we see you on the other side. Give Jesus our love sweet girl.

*It's been a few years since I saw you while visiting in Pittsburgh but I have very fond memories of our days at PHS and the few dates that we had while I was home on leave. I will never forget your smile and your positive attitude in the face of adversity you were a fighter. May God welcome you into his kingdom where you will be welcomed with open arms by all those who have passed before you. I wish that I was there to attend your service but just not possible. Rest in peace old friend.
