“ *Lost touch with Steve over the years and was sadden when I googled him to find his number and shocked and saddened to see his obituary instead. What a classy guy, great conversationalist, always the gentleman and low key / gentle indeed. Sad that I could not have had more time. See that he is again with David as well. God Bless and gentle rest Steve.*

“ I grew up in Homeville from kindergarten through high school knowing Steve. He was my partner on two TV dance shows featuring local high schools each week. Of course, ours was Homestead High School. I hadn't seen him since high school until about three years ago when he joined our class website. We had lunch and remembered old times. He was still his sweet, gentle, low-key, calm, and relaxed self as I had remembered over 50 years ago.
