“ I was so sorry to hear of Sue's passing. The last time I saw her was the Avh school reunion and was impressed how she presented herself in spite of this horrible disease. Remember her smile and laughter. Sandy Gainor Jack

“ Sue was amazing, one of the best people I've met in my career as a social worker. Everyone loved Sue, I never heard anybody speak badly of her. I will always remember her ever present smile, her soft voice, and her gentle heart.

I was on Sue's team, and she was my first supervisor when I was a new care manager at CCBH. Sometimes she would walk down the isle and come beside me and give me a "tap on my shoulder", which wasn't a good thing. It meant I was being summoned to our boss's office for correction. Sue always accompanied me and never sent me in alone. She was always positive and supportive, and helped me to be successful with my correction.

I will miss Sue. My thoughts, prayers and deepest sympathy to all of her family on your loss,

“ Susan and I grew up in close proximity to each other, and were enrolled in many classes at Valley High School together, sharing a happy friendship! ...She aspired to be a nurse early on, and in time, did indeed become a very dedicated health care professional to the many for whom she cared throughout her career....

*The world has lost a beautiful and vibrant light...
Rest with the angels, dear friend!*

*With my deepest sympathy to her family and to all who loved her,
