“ *My little sister. Good personality, great sense of humor, most lovable got along with everyone and I loved her. She and my wife Cheryl when talking together were great with their humor and you add my sister Carol to the conversation and you have one of the funniest talks you ever heard. She & Carol helped Cheryl a lot during her suffering during her last days. I did not deserve to have such a sweet, lovable, wonderful sister as Susie and I will miss her, and looking forward to meeting her again
Kelly & Tracy and Kids LOL and sympathy. Miss You*
