“ *This is indeed the saddest news that this year 2025 has brought me.*

*We had met through Penpal World in 2004, and I had the great joy of inviting Terry here, in France, in 2007, then in 2008.*

*Terry, represented for me, and my family, an immense joy of life that warmed the heart...*

*An angel!*

*On this anniversary of his birth, to you who represent his family, I convey my most sincere condolences, and if you can help me know the circumstances of his departure, know that you will always be received here as a member of my own family. You can contact me here: [francois.dumont01@free.fr](mailto:francois.dumont01@free.fr)*

*Well respectfully,*

*Francois*
