Besides her parents, Virginia was preceded in death by a sister, Glenda Rose

Sweeney; a niece, Denise Copney; and her beloved cat, "Tom".

Virginia enjoyed bingo, online games, baking, reading, decorating for the holidays but most of all, she enjoyed and cherished her family. She was always worried about everyone else and truly was a selfless soul. One of her last wishes was for her family to stick together and take care of each other. Her family was her life and as long as her family lives on, then in memory she will too. Virginia will be greatly missed.

At Virginia's request, there will be no viewing. A memorial service is to be planned for a later date.
