“ Our deepest sympathy to Ron and Rebecca. Vivian and Kenny were our neighbors in South Park. She was very much part of our family and always remembered. We will remember all the memories we had with her

“ I remember so many things about you, Aunt Bill. You've been with me for 81 plus years; you are my second mother, and I love you deeply. From the days in Quantico when I remember being too little to climb up on to your kitchen chairs (the only memory I have from my 3 year old days). I remember so well when we lived together at 1513 Brighton place and how you frequently took Eddie and me to the Northside Park. I remember spending many nights at 8 Brightridge Street. I remember guaranteed fried chicken on Sunday afternoons and, yes, having "nice little sandwiches". You've been an integral part of my life since I was born, and I'm going to miss you so very, very much. I hope there is a heaven, and that you are now with Uncle Ed and Eddie. You were three of the most wonderful people in my life, Love, Terry.

“ Rest in peace Gram. I will never forget the fishing trips to Moraine and Cross Creek with you. Catching fish and the endless snacks we would eat on the boat. There was nothing like Sunday dinners at your house or watching movies on the porch and spending the night with all the cousins. You instilled a love of the outdoors for me and I have now handed it down to your great grand kids who love to fish. Miss you and Rest in Peace. Love Sam, Lesley, little Sam and Marc.
