“ *Cindy, Tom, Kris and families - so happy we were able to spend time with Aunt Non on our trip up in 2017! She made everything wonderful and fun during our visit to her house - the kids loved her just like me and my brothers. We are so sorry for your loss... she and mom will have plenty to chat about* 💕💕

wonderful photos. sending all of you love. I know this is a painful time. I have enjoyed spending time with those of you I know at special events over time. It has always been apparent to me that you are a very loving family. All of you took the time to take good care of Wanda and I know some of it was sad and sometimes difficult because she suffered. I hope there is an opportunity to share your fun and loving memories growing up with Wanda. My deepest condolences for your loss, Thea LeDonne
