“Hey Pap. Sorry it took me so long to stop by and leave a memory. Hard to put 31 years of so many great ones into a few words! I just wanted to say thanks for always being there for us and helping raise us two crazy boys. You always knew when to make us laugh and smile. You were the best at that. Keep watching over us like you did. I miss you like crazy. Birthdays won't be the same anymore without ya. Love ya Pap.

“Dad - you were the best dad I could ever ask for. You gave me a lot of good memories and mom. You two were the best parents a child could ask for. Thanks for all the good times and jokes. You could have been a comedian. All our friends loved you too! We really had a good life with you and mom! Now I know you can Breath again and Think. I love you so much and thanks for helping me raise my boys. You did great. I will see you soon. Love ya always and forever
