“ One of the Springdale "nice" guys. Always a kind word and pleasant thought. Knew him through sister, Susan. Kindest thoughts of sympathy to the entire family but especially, Sue.

“ Dear Donna, Karen and Tracey, and Mia,
Our sincere condolences. This street will sorely miss our good friend and neighbor! We will forever remember Bill. Bill always looked for the good in everyone and was always there if you needed anything.

We are fortunate to have many good memories of time spent with Bill, from standing on the corner talking or sitting on the porch. He always welcomed us home when we returned from vacation, or even a weekend away, it didn't matter. He would come outside and say "welcome home", did you have a good time?

On Monday, our Heavenly Father said to Bill, welcome home!
May fond memories comfort you in the days ahead, and may the peace of Christ remain with you .
