“ *I met Billy when I was 18. What drew me to him was his upbeat manner and his outlook on life. If there was ever anything negative going on or that he was dealing with it was known. Because he wore his emotions on his sleeve... But, in a minute or 2 that beautiful smile that only he had let me know all would be well. The world lost a kind and loving soul that can never be replaced. May you dance with the Angels and smile as if the whole world is smiling with you.*

“ My heart is heavy today! I have know Billy and his family for 30 years. My thoughts and prayers go out to his family and especially his daughter.

One memory I have to share is when he was a teenager he was a member of a local boxing club. I remember going with his mom and his Aunt Carol and watching him box. He was actually pretty good at it! Your kind smile and heart and your beautiful eyes i'll always remember. I know your path was a hard one. May you be at peace now. It gives me comfort knowing your with your beautiful mother Janet now.

RIP and GOD please watch over his daughter Danny!

“ Billy had a heart of gold. He would give the shirt off his back if he knew someone needed it. I am in shock that he is gone. The world will be a much sadder place without him.
