“ *Sending my condolences to you all. I have so many memories of being at lone’s house when I was a kid. When my Grandma would go there to get her hair done, we would sometimes go with her. They were great friends, we would stay and have lunch sometimes, if lone didn’t have another appt. right after. I would go down and play in the creek while my Grandma was getting her hair done. Great memories that will be with me forever.*
